

LEAVE A LEGACY OF CONSERVATION

MAKE A LASTING IMPACT FOR WILDLIFE, COMMUNITIES, & THE PLANET

"What you do for yourself dies with you. What you do for others and the world remains and is immortal."
— Albert Pine

Why Legacy Giving?

Legacy giving is one of the most powerful and meaningful ways you can live on. By supporting the **Katie Adamson Conservation Fund (KACF)**, your gift helps ensure that endangered animals — and the communities working to protect them — continue to thrive for generations to come. Whether you're creating your first will or updating an existing plan, including KACF is a lasting reflection of your values and your vision for a more compassionate, sustainable world.

Your Gift Will...

- Protect endangered species the world over – across North, Central & South America, Africa, Asia, and beyond.
- Empower local communities through education and sustainable development.
- Inspire future generations of conservationists and wildlife defenders.
